ICPC Asia West Problem Practice Sources

This document contains a curated list of resources where you can find past ICPC Asia West (and other ICPC regionals/world finals) problems. Each platform is described with its coverage, best use-case, and direct links where possible.

1. Codeforces Blog by 'merlin_' — India ICPC Archive

The most comprehensive repository for ICPC India regionals and Asia West finals from 2012–2023. Includes problem statements, test data, and editorials for Amritapuri, Kanpur, Kharagpur, Gwalior-Pune, Chennai, etc.
https://codeforces.com/blog/entry/105000

2. ICPC Foundation Archive

Official archive of ICPC problems including regional contests and World Finals. Reliable source for official statements.
https://icpc.foundation/archive/

3. Open Kattis (ICPC Archive)

Kattis hosts ICPC problems, including World Finals and some regionals. Problems are interactive with judge feedback.
https://icpc.kattis.com/

4. CodeChef – 'Prepare for ICPC'

CodeChef curates ICPC-level problems in its practice section for quick solo drills. Good supplement for regional prep.
https://www.codechef.com/practice/icpc

5. Scribd — 2025 Asia West Finals Problem Set

A PDF of the 2025 ICPC Asia West Finals (problems A–K) is available on Scribd with full statements and constraints.
